About Korona Candles Inc:

When Korona Candles S.A. Poland first opened it's doors in 1992, the mission was to be Europe's top candle manufacturer. Mission accomplished, they began production in the USA in 2014 at Korona Candles Inc. Dublin, Virginia. But the excitement really began in April of 2018, as Korona Candles joined a larger organization? The Gala Candle Group to become part of the World's Largest Fragrance D'cor Company. Today, working with Korona Candles Inc. means you are connected with more than 4,750 global employees in locations including: Poland, Hungary, India, Germany, Nashville and Los Angeles. But being the leader in fragranced d'cor is just a start. We want to be a leader in other areas too. So at Korona we are always challenging ourselves to deliver fragranced innovation via improved standards in quality, performance, sustainability and with product inspiration for companies you know, admire, and shop every day, but because we are private label, you won't know their name unless you work here. Want to 'smell' your world differently? Join our growing team? It's clean manufacturing that smells good too.
